The following is an examiner's statement of reasons for allowance:

The instant claims are allowed for the reasons set forth in applicant's response filed 8/23/04. As delineated by applicant, the prior art does not disclose or fairly suggest the instantly recited process for preparing a "two-phase" electrophoretic medium comprising a film-forming material (continuous medium) and at least about 40 vol% suspending fluid/particle droplets (discontinuous phase).

The prior art submitted on 8/27/04 (1449 including 210 cited references) have been considered. Initialed copies of the 1449 are enclosed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Kopec whose telephone number is (571) 272-1319. The examiner can normally be reached on Monday - Friday from 9:30 AM to 6:00 PM.
